#### INSTRUCTIONS

Candidates should read the following instructions carefully before answering the questions:

- 1. This booklet consists of 32 pages including this front page. Verify the Page Nos. and Test Booklet Series on each page and bring at once to the Invigilator's notice any discrepancy.
- 2. Answers will have to be given in the Special Answer-Sheet supplied for the purpose.
- 3. Before you proceed to mark in the Answer-Sheet the response to various items in the Test Booklet, you have to fill in some particulars in the Answer-Sheet as per instructions sent to you in the Admit Card. Do not fold the Answer-Sheet as this will result in error in your marks.
- 4. All questions are of multiple-choice answer-type. You will find four probable answers (A), (B), (C) and (D) against each question. Find out which of the four answers appears to you to be correct or the best. Now darken the oval corresponding to the letter of the selected answer in the Answer-Sheet with H.B. pencil as per instructions printed on the reverse of the Admit Card and in the Answer-Sheet.
- 5. If more than one oval is encoded for a particular answer, it will be treated as a wrong answer.
- There will be negative marking for each wrong answer.

El of Cand amine Oriol of

- There are blank pages at the end of this booklet for Rough Work.
- 8. Work as fast and as carefully as you can. There are 200 questions.
- The Special Answer-Sheet should be handed over to the Invigilator before leaving the Examination Hall. You are permitted to take away the used Test Booklet after completion of the examination.
